8	Content Producer	CPr	Excellent writing skills, branding and public relations	PrM
9	Project Manager	PrM	Effective Communication Skill, Ability to motivate others, Experience in Web-development	SAD, SRC Execs.

With the exception of the Content Producer and the Graphics Designer, every other member of the team is required to have working knowledge of HTML, CSS, and PHP.

Most Importantly:

Looking at the jobs above and their respective requirements, I don't expect every one of us here to fit perfectly into any of them. That's the idea, your primary aim when working with any team is to get better.
